

Sarah Evangeline

The Adventure of Walking Barefoot for Jesus

from my heart to yours

Sarah's passion is to inspire young women to find their identity in Christ. Sarah knows how to help lead other women to believe that we serve the God who can make what seems impossible to us, possible with Him. Sarah also teaches and helps guide young women to the knowledge that they are adorned by the King, the Creator of the world!

Sarah believes in being authentic and invested in relationships to help grow God's kingdom. She is the creator of 'Walking Barefoot for Jesus'. This is a sisterhood and community, which seeks to learn that the road Jesus has for our lives is all about the unknown, but the best adventure ever lived!

Through experience, Sarah has learned that the best way to do all this is to share each other's stories, so we can learn from each other. God has transformed her life! Sarah has overcome being raised in a single-mother home, the battle of an eating disorder, having a learning disability, and feeling trapped in an emotionally abusive relationship. She knows that the true love of Christ sets people free. She cannot stop until she shares this truth with others!

Sarah's favourite things about life are people, ice-cream, music and climbing mountains. Sarah knows that sometimes life is messy but that there is beauty, even in the midst of ashes. Sarah's latest project has been her new book, *You are More Precious than Gold*, which inspires others to make God their beauty mark.

"Sarah is wise beyond her years as she presents [God's] truth." - Glenda Davis: Area Commander for The Salvation Army, Great Lakes Division

"Sarah's heart for leading people closer to Jesus is evident in her writing. Her book will be helpful to any women seeking to understand her place in the world" - Capt. Jennifer Hale of The Salvation Army

Speaking Topics:

Sarah can't wait to come and help lead or speak at your event!

Did you know that Sarah's book can be used as a Bible study as well as read individually? There is a study guide at the back of the book for each chapter to help you and your small group dig deeper into God's Word.

Making God our Mirror

God has planted the true meaning of beauty and wisdom inside each of us. Saying "no" to the world's standards and "yes" to making God our mirror unlocks the way God intended us to live our life.

Radical Purity

What if I were to tell you that purity isn't just about sex? What if I were to tell you that purity is something we can all strive for? God designed purity to be a life-long purpose. Radical purity is learning how to glorify God in all areas of our lives.

Refuse to Conform to the Patterns of this World

The world shouts our name, and God whispers it. So, we must listen closely. Sarah takes a deeper look at knowing how to walk the godly lifestyle in a world of deception.

Own Your Imperfections

What if our imperfections are there to remind us that there's only one person who is perfect? God didn't give us our imperfections to laugh at us or to try to make our lives harder. Sarah believes God is calling us to be humble and to learn to see ourselves through His eyes.

Learn to Dance in the Rain

Sarah wants to take you down a journey of learning how to shake off worry and doubt to be filled with hope, faith, love and excitement for life! Sarah talks about Jeremiah 29 and how when we seek after God, with all our hearts, He gives us a future of hope. Sarah believes that we will get through the hardships of life. One twirl at a time.

"Sarah, Thank you for being there for me like the big sister I always wanted. You are smart, sweet and kind. I love you." - Devan, the twelve year old girl who God used to call Sarah to ministry

Live in Light of Eternity

Breathe in. Breathe out. That's life. Your life. God gave it to you. What are you going to do with it? Have you ever stopped to think about heaven? I mean really think about it? Heaven is forever. Sarah believes that when we live in light of eternity, our whole world changes. Join Sarah in learning how to live in more than the here-and-now.

Your Story is Important

Everyone has a story to tell. Everyone is different and unique, for a special purpose and plan. God wants to be rooted in your being so He can continue to mold and shape your story to glorify His name and build the Kingdom

Seeking after God's Calling

Sarah takes a look at how our passions, talents and gifts can be used for God's glory. She also zeros in on the most important aspect: seeking out God's calling for our lives. She also talks about integrity and how God can use every single day to match our character to His calling.

Sarah Evangeline is a graduate of Liberty University with a degree in Psychology and Counseling. She is currently working on her Master's in Human Service Counseling with the hope of eventually working overseas or wherever the Lord may take her. She cannot wait to partner with YOU in some way!

Hi friend,

Welcome to the sisterhood and community of walking barefoot for Jesus! I am SO excited that YOU are here!

You are loved. You are chosen. You are unique. You are gifted. You are here for a purpose and plan.

Yet, I know we cannot live this life without Jesus.

I'm Sarah Evangeline, and I am the creator of 'The Adventure of Walking Barefoot for Jesus'. If you know me, you know that I hate wearing shoes. I usually am barefoot when I do any kind of ministry or work for God. Why? Because so much of serving God is about the unknown. When I walk barefoot, it reminds me that I am here on earth, to serve my King and Lord, not myself.

It reminds YOU AND ME that there is still work God has for us to do, and that we need to stay focused of walking in HIS EXAMPLE.

'Cause girl, I have doubted, disobeyed and have felt so unworthy to be called God's daughter again. Yet, I am also the girl who has learned to overcome the lies of this world, by making God the King of my heart. God has brought me to a place where all I want to do is live for Him. I cannot stop until I share this with YOU!

You are worthy of His unending love.

I would LOVE for you to join this sisterhood. This is a safe place for you to learn, grow and become more ready to serve God in our world today.

I hope that, together, we can learn to make God our identity so we can walk a lifestyle of Christ-likeness over a world of deception.

It's a wild adventure.

I don't have all the answers, but we can learn together.

Will you join me on this journey?

LOVE your sister in Christ,

Sarah
